

## **Elementary Fall Activities Sign-Up Form 2019**

Dear Parents,

September 2, 2019

The Fall Session for Elementary Activities will begin on Monday September 9. Please return the last page of this packet to your child's classroom teacher by Thursday, September 5 to ensure that your child has a spot in the activities they choose. Fall Activities will end November 21. All Elementary activities end at 4:00pm unless otherwise noted in the description of the activity. Please note that we have after-school busing for students involved in the after-school activity program.

After initial enrollment, students have two weeks to decide to remain, leave, or add (if space is available) any after-school activities. After two weeks, students are no longer allowed to add activities and must wait for the next session. Students who have more than two absences or do not participate in the activity they sign up for will be asked to drop the activity.

### **Monday**

### **Hope for Children Club (CRC Campus Club) (3:05-4:00pm)**

Open to Grade 5 students only, "CRC Campus Clubs" aim to help and support children to learn about their rights, become accredited volunteers and work towards defending and promoting their interests. The "CRC Campus Clubs" with the collaboration and constant support of "Hope for Children" CRC Policy Center and the professionals in the fields of Psychology, Social Work, Law and Research will hold discussions, workshops, activities and events, aiding children to become more informed citizens, bringing a profound and essential change to our current and future society. The program of CRC Campus Clubs will be tailor made to respond to the general and specific needs of AISC. At the end of the year the children participating will be named as Young Ambassadors of "Hope for Children" CRC Policy Center.

### **Beginners Wood Wizards (3:30-4:30pm, pickup from the Wood Wizards Workshop, 23 Nikis Street, 22-262909)**

Grades 2-5, Wood Wizards. This activity is for students who are signing up for the Wood Wizards Activity for the first time. (The advanced workshop will take place on Thursdays and is for students who have previously participated in this after-school activity). It is delivered by the "Wood Wizards Workshop" located in a 2-minute drive from the school. Students will meet in the picnic area and an AISC staff member will drive the students to the Wood Wizards Workshop (using the AISC bus). Parents must pick up their child at the Wood Wizards Workshop, 23 Nikis Street, 1087 Nicosia (22-262909) from the end of the activity. The activity will be from 3:30-4:30pm. This is an old classic coming back! A STEM favourite, the Wood Wizards Workshop teaches students hand-on skills, while thinking about shape, size, contrast, comparisons, spatial relationships and problem-solving in a practical approach. The Family house trusts its students to work with real, children-sized tools. While the Wood Wizards provides children with an inspiring means to become makers, tinkerers and engineers, safety is always emphasized. Over the 10 weeks, children will be introduced to safety rules, tools and their properties. As their skill levels increase, they will move forward to increased tool usage and will be creating exciting projects. Children will get to take home their finished projects! No need for prior experience. Please note that families will need to pay a cost of 110 euros pre-paid for the ten-week session (45 euros per month) directly to the Wood Wizards Workshop).

## **Wednesday**
