

## Middle and High School Spring Activities Sign up Form 2019

Full Name: \_\_\_\_\_

Grade: \_\_\_\_\_

Dear Students and Parents,

March 7, 2019

The Spring Session for Middle and High School after-school activities will begin on Monday, March 18. Please return this letter to Ms. Christina Chari, our school secretary located in the foyer by Tuesday, March 12. Spring Activities will end on May 31. Please note that we do have after school bussing for students involved in activities. Be aware that in order for an activity to take place there must be enough student interest. Students have two weeks to decide to participate in after-school activities. After two weeks, students are no longer allowed to add activities and must wait for the next session.

### MONDAY

\_\_\_\_ 1. **Middle School Boys Soccer** (Practice: 3:10-4:00, Futsal Pitch Mr. Papapetrou) Come out and improve your soccer skills and play games on island with other private schools.

\_\_\_\_ 2. **Middle and High School Boys Basketball** (3:10-4:00, Covered Area Dr. Economou) Come and improve your basketball skills and get some good physical fitness

\_\_\_\_ 3. **Middle and High School Literary Writing Group for Students in the ELL Program Only\*\*** (3:10-4:00 Room 201 Ms. Zessimopoulos) Students will receive guidance/support skills in English to improve their homework, writing and organizational skills.

\_\_\_\_ 4. **High School CERN CLUB** (Room 3:10-4:00, 212 Mr. Tsaousis) "If you are interested in Physics, Chemistry and Computer Science, CERN is offering high school students from the around the world the chance to create and perform a scientific experiment on a CERN accelerator beam line. What a better way to learn about Science? Join our CERN Club for High School Students and get ready for the competition!"

\_\_\_\_ 5. **Middle and High School Students Ukulele Club (Day 6 only 12:30-1:10 Music Room Ms. Hathaway, AISC Grade 12 Student)** Join in and learn to play the Ukulele in a fun atmosphere. Continues.

\_\_\_\_ 6. **High School Model United Nations Continues!** (Room 112 3:10-4:00, Ms. Innocenti) In MUN, Students will research and learn about current global economic, political and environmental challenges, getting ready to debate these issues with students from around the world.

\_\_\_\_ 7. **Middle and High School Girls Volleyball Club** (3:10-4:00 Meet on the courts, Mr. Papasolomou) Students interested in improving their volleyball skills and playing games should join in for some fun and good physical fitness.

\_\_\_\_ 8. **High School Book Club** (3:10-4:00 Room 06, Ms. Karpatitis) The book discussion Club will meet to discuss and read literary books together. The choice of book depends on what students like or want to get to know. The club will serve as a platform to express one's opinion, likes and dislikes but also find out from other group members what amazing literature there is and become inspired by fellow book lovers. The idea is to make this open to literature of different cultural backgrounds and exchange and discuss ideas.

\_\_\_\_ 9. **Middle School Origami Club** (3:10-4:00 Room 217, Mr. Feutz) Join in the club and learn to make some very creative origami projects!

\_\_\_\_ 10. **Middle and High School Polymer Clay Club** (3:10-4:00 Room 204, Ms. Loizidou) Polymer Clay is a non-toxic, moldable, heat cured plastic clay. It's durable and versatile for a variety of crafts, and is fun and easy to use once you learn the basics. Join in and learn!

### TUESDAY

\_\_\_\_\_ **11. Middle and High School Rosetta Stone Club** (3:10-4:00 Room 106, Ms. Andrea) Rosetta Stone is a language learning program where students can choose up to learn any of the 25 languages through an immersion program. Students will be working individually with support from our sponsor on how to use the program. Students can also join to supplement their learning of a language they may already be learning.

\_\_\_\_\_ **12. Middle and High School Students French Club** (3:10-4:00 Room 06, Ms. Karpasitis) French for Fun Level A1/A2. We will start from the beginning and we will cover gaps students might have who have joined higher French classes. We will concentrate on speaking and pronunciation with fun activities - food, music and movies, small projects, online games and many more ...

\_\_\_\_\_ **13. Middle and High School Eco Club Continues!** (3:10-4:00 Room 212, Mr. Poulos) The Eco Club Program aims to increase awareness about the rapidly growing environmental problems caused by humans to the environment. Eco Club students will focus on the sustainability concepts such as waste and recycling water, energy, transportation, growing, buying, bio-diversity and climate change. By becoming part of the Eco Club, students will explore the principles of Permaculture. Students will create an Environmental Review to measure the school's environment footprint and an action plan to reduce waste and increase bio-diversity. Students will be involved in creating gardens, planting trees and helping to make AISC and accredited Eco School.

\_\_\_\_\_ **14. Middle & High School Drama Club Continues!** (3:10-4:00 Meet Theatre with Mr. Correia) Students will be working on an after school drama production as well as being involved in aspects of technical theatre. (Set design/construction, script analysis, prop collection and costume/makeup design)

\_\_\_\_\_ **15. Middle and High School Robotics and Computer Programming Club** (3:10-4:00 Computer lab 106, Mr. Coudounaris) While in this club you will learn how to develop a computer game using robotics and a programming language of your choice. If you are in Middle School to grade 9 you may choose to create games using Alice, Scratch or Microsoft's Kodu and if you are in grade 10 to 12 you may choose Game Maker or Microsoft's XNA. We can compete as a team in a Pan Cyprian prestigious school competition just like this past year when we placed first with our team

\_\_\_\_\_ **16. Middle & High School Literary Writing Group for Students in the ELL Program Only\*\*** (3:10-4:00 Room 201, Ms. Zessimopoulos) Students will receive guidance/support skills in English to improve their homework, writing and organizational skills.

\_\_\_\_\_ **17. Middle & High School Hope of Children Club Continues! (CRC Campus Club) No New Sign-ups!** (3:10-4:00 Room 203) "CRC Campus Clubs" aim to help and support children to learn about their rights, become accredited volunteers and work towards defending and promoting their interests. The "CRC Campus Clubs" with the collaboration and constant support of "Hope of Children" CRC Policy Center and the professionals in the fields of Psychology, Social Work, Law and Research will hold discussions, workshops, activities and events, aiding children to become more informed citizens, bringing a profound and essential change to our current and future society. The program of CRC Campus Clubs will be tailor made to respond to the general and specific needs of AISC. At the end of the year the children participating will be named as Young Ambassadors of "Hope of Children" CRC Policy Centre.

\_\_\_\_\_ **18. High School Greek Language Course for Native Speakers** (Room 216 3:10-4:00, Ms. Papageorgiou) In this Activity of Greek language classes for native speakers, students will be in preparing for the Certification of Greek Language Proficiency examination.

\_\_\_\_\_ **19. High School Research Project Club** (Meet in Room 210 3:10-4:00, Dr. Economou) Students will be continuing to prepare to participate in National competitions. Speak to Dr. Economou if interested.

\_\_\_\_\_ **20. Grade 8-12 Biology Club** (Meet in Room 208, Ms. Charalambous) Have fun doing extra experiments, dissections, field trips and research in any area of Biology that you want to study more. Join in!

\_\_\_\_\_ **21. Grades 6 - 7 Wood Wizards Beginners only.** This activity is delivered by the "Family House" located in a 2 - minute drive from the school. Students will meet in the picnic area and an AISC staff member will drive the students to the Family House (using the AISC bus). Parents must pick up their child at the **Family House, 8 Kastoros Street, 1087 Nicosia (22-262900)** from the end of the activity. **The activity will be from 3:30-4:30pm.** This is an old classic coming back! A STEM favourite, the Wood Wizards Workshop teaches students hand-on skills, while thinking about shape, size, contrast, comparisons, spatial relationships and problem-solving in a practical approach. The Family house trusts its students to work with real, children-sized tools. While the Wood Wizards provides children with an inspiring means to become makers, tinkerers and engineers, safety is always emphasized. Over the 10 weeks, children will be introduced to safety rules, tools and their properties As their skill levels increase, they will move forward to increased tool usage and will be creating exciting projects. Children will get to take home their finished projects! No need for prior experience.

Please note that families will need to pay a cost of 110 euros pre-paid for the ten-week session (45 euros per month) directly to the Family House

\_\_\_ **22. Middle and High School Kindness Club** (Meet at 3:10-4:00 with Ms. Madrigal) Ever find yourself wishing there was a little more kindness in the hallways and classrooms? Here is your chance to spread joy, encouragement, and kindness throughout AISC! Become RAKtivist (Random Acts of Kindness activist)! During our meetings, we will brainstorm ways to build a culture of kindness, do kindness projects, and make a difference through caring. Join Ms. Tara (Secondary school counselor) and become an AISC RAKtivist!

### WEDNESDAY

\_\_\_ **23. AISC All School Choir** (Practice: 2:05-3:00 Music Room Ms. Jarrold) Students will be performing throughout the year. If you have any questions, please see Ms. Jarrold in the music room.
